Verse 1: I sit here with my Bible open to
the book of Psalms... askin' the Lamb
of God to keep me within His palms...
He answered me calm tellin' me
God had a plan for me... He said
"My child, I need you to take a stand
for me..." "Go be a man for me my ghetto
apostle..." "I'll strengthen your tonsils
to deliver the gospel..." He told me
"It's possible long as you believe..."
He said "The Lord is within you, that's
all you need..." "Now go handle your
deed 'cause indeed you can do it..."
"I blessed you with a vessel that'll
let you spit music..." "Now I need you
to rise it to go deliver my news..."
"This is the way that I wanted it
to be used..." Still confused, I asked
Him to explain... He told me "Listen
my child, it's simple & plain..." "You
see the way you form a multitude
when you rhyme..." "Just have it so
the words that they're listening to
are mine..."

Hook: & I'm not one... to question God... but
sometimes... the road gets hard... &
I gotta be a soldier (4 the Lord) I
gotta be a soldier (4 the Lord) I'm not

✓
one... to question Christ... but
sometimes... I don't understand
life... & I gotta be a soldier (4 the Lord)
I gotta be a soldier (4 the Lord)

Verse 2: I got out in the world & I begun to
walk the streets... my feet sandaled
with rediness for the gospel of peace...
see for God I'mma' "G", so I'm ready
for the test... He's given me righteousness
& that's the armor on my chest... He said
in every situation take the shield of
faith... & come equip with the truth
like belts around my waist... He told
me just in case to take the helmet of
salvation... & the sword of the spirit
for spirits I'd be facin'... His armor
I'm laced in, plus I got my Bible...
this double edge sword will do the
same thing that a knife do... I don't
need no rifle: I'm ready for war...
& if you don't believe, you don't
believe in the Lord... see I believe
for sure, so His blessings I'll
receive... I try to walk in His image
while never being deceived... You
with Him, never leave, He's nothing
to turn your back on... You fall get
back up & put your armor back on...

* Repeat hook 1x only *

Verse 3: Now that I'm walkin' with God, the
devils' coming at me... enemies wanna
clap me, brothers wanna scrap me...

but they can't even scratch me, I got
a fa'sure shield... Jesus put His
angels around me just like a force
field... If it's the Lord's will, you
won't harm me... my Lord & Savior
& I could battle a whole army...
go 'head & bombard me it won't
make a difference... all I have to
do is pray to Jesus for deliverance...
He told me if I ask unto me it
shall be given... So bring it, I'm not
trippin', my sins are forgiven... I'm
driven' by the holy spirit so spirits
get dealt with... & hallelujah to ya'
soldier if you felt this...

* Repeat hook 1x... Song fades *
